ALUMNI DIRECTOR'S MESSAGE

by Steve Chipp '68
Alumni Director

So just what exactly is going on at Saints with all this new construction, you ask? If you haven't driven by Saints lately, I can't blame you for asking, as between now and September, Saints is working towards concluding its biggest facelift in over 50 years.

As I'm certain you know by now, the Phase I renovation project (designed by local architect Tony Cutri '69) at the southwest corner of campus is well under way and over 50% complete. DPR Construction, the general contractor, reports we are on schedule for a Fall 2007 opening. With framing now taking place, students, parents, faculty and staff are beginning to get a real sense of what the mass and design of the finished facility will be.

Naturally, the most ambitious building campaign in school history has caused quite a bit of excitement in the school community and for good reason. When completed, the typical classroom will increase to over 900sf (from 736sf) and total building space will nearly double to a total of just under 40,000sf.

But that's not all that will be happening when classes end June 7.

Sullivan Hall (built in 1947) and Sheehan Hall (built in 1952 and expanded in 1953) will be razed along with four modular buildings and a new auxiliary athletic field will go in to replace the old lower field which was lost to the new construction. The field, to be used by sports teams, PE classes, and the intramural program, is expected to be ready for use in January 2008 once the sod is firmly in place.

A surface parking lot will be located between Dougherty Gym and the new field which will more than double total campus off-street parking when combined with the parking structure built below the new classroom buildings.

That's quite a lot of work you say? It certainly is but it's not ending there.

Augustinians Elect Fr. Gary Sanders, OSA '67 Prior Provincial in California

-by Tom Shess

In a recent election, the Augustinians of the Province of St. Augustine in California chose Fr. Gary Sanders OSA '67 as the sixth Provincial of the Western Province.

Fr. Gary was born in San Diego on October 2, 1949, one of five children of Curtis and Helen Sanders. Don, John, Gary, Jim and Helen attended St. Rita's parochial school. The four boys graduated from Saints.

Immediately following graduation in 1967 Gary Sanders entered the Augustinian Pre-Novitiate Program, of which Fr. John Keller, OSA '55 was the acting formation director. Gary professed vows to the Order in 1970. Since his 1975 ordination, Fr. Gary has served in formation work, as Vocation Director, as pastor of St. Patrick's Church in San Diego, and as a high school teacher and administrator at Villanova Preparatory School in Ojai. Presently, he is pastor of Our Mother of Good Counsel Church in Hollywood.

Not only is Father Sanders a graduate of Saints, but his brother Fr. John '66 was principal here for ten years. Subsequently, Fr. Gary has been the chaplain at some of the St. Augustine High School class retreats. Last spring he was chaplain of a Kairos retreat for seniors.

He says, "When I saw them in action, I felt such pride in knowing that the Saints' community continues not just to exist but to thrive. They are great people." As a member of the Board of Trustees, he holds those who serve our school in great respect commenting, "One can only be impressed by the membership of this Board and how well it functions. It is always exciting to be around people like these who share in a common love for the Saints tradition. I look forward to working with Saints even more closely in the years ahead."

His term as Provincial will be four years.

-Play Limited to One Course This Year

Alumni Golf Classic Set for May 4th

The 22nd annual Alumni Charity Golf Classic will take place on Friday, May 4th at the Cottonwood Golf Club in Rancho San Diego. Applications will be available at the Saints website, www.SAHS.org by March 1st.

The golf tournament is always a fun day for everyone who participates and is the primary source of funds for the activities of the Alumni Association, whose surplus funds are contributed to the Alumni Scholarship Endowment Fund. Again, Bob Baker Toyota will be the major corporate sponsor of the tournament and will provide the new Toyota automobile for the "Hole in One" contest.

The event is on the Friday of the Cinco de Mayo weekend. So again there will be a Mexican theme, with mariachis serenading the golfers as they finish their rounds.

It's time to start planning your foursome. Please be sure to get your entry in early as space will be limited. This year, because of construction on the Monte Vista Course, play will be limited to one course (Ivanhoe). There will be a strict limitation to a total of 144 players. Entries will be on a first come, first served basis, according to receipt of applications with entry fees, without exceptions.

Foursomes may have to be re-arranged if some members have not paid when the 144 total is reached and entries closed. Don't be disappointed! Get your paid applications in early!

For those who do not make the 144 cut-off and for any others who do not care to play golf, you can still come and enjoy the festivities. Dinner tickets can be purchased for \$25. There will be a no-host bar all day.

For more information, call Tournament Chairman Ed Querin '85 at (619) 884-5230.

Alumni Director's Message, continued
from page 1.

At Vasey Hall, site of the original campus built in 1922-23, interior renovation will take place in all areas except the main office and chapel to further provide space for classrooms and school operations. (I mention "interior" renovation as the exteriors of these Richard Requa designed buildings will remain unchanged.)

Fine arts space will more than double as sculpting, painting and drawing classes move into the area presently occupied by the library. Band space will be expanded and take over rooms 5 and 6 which will be combined into one large area to include private practice rooms and storage for instruments and uniforms.

Classrooms 1 and 2 will be converted into a multi-use space separated by a partition wall that can be rolled back to accommodate group meetings for up to 50 people when classes are not being held. Rooms 3 and 4 will be redesigned and provide space for an ASB office/classroom, President's office, conference room, and public restroom facilities.

That, in a nutshell, brings you up to date with what's going on construction-wise at Saints in 2007. It's an impressive list of improvements that has us all anxiously awaiting the start of the 2007-08 school year.

If you haven't had a chance to see any of this first hand, school President Ed Hearn encourages any alumnus to contact Development Director Craig Choy for a site visit by calling at (619) 282-184 extension 16 or email at cchoy@sahs.org.

Why not do it today?

Saints Athletics Update

--by Don Violette '69

The Saints varsity football team captured its second straight CIF championship with a 17-7 victory over Point Loma at Qualcomm Stadium in early December. The team went 10-3 (4-1 in the tough Eastern League) before running the table in the playoffs with wins over Brawley, El Capitan, and the Pointers, whom they also beat in the 2005 title game.

Among the wins was a thrilling 31-23 game over arch-rival Cathedral Catholic. The high-scoring team put up more than 50 points three times during the season.

Saintsmen voted to the All-CIF team included UCLA-bound quarterback Chris Forcier, running back Leitch James, linebacker Bobby Erskine, and WR/DB Larry Parker.

Meanwhile, the JV squad went 8-2 and the Freshmen finished 9-6.

The Cross Country team finished third in League and fourth in CIF. For the first time in many moons, no Saintsmen made the CIF squad, though there was only one senior on the team.

Saints' very young Varsity basketball team has ended the regular season 10-14. They are the #4 seed in the CIF Championship Tournament. Among their wins was a huge upset of 7th-ranked Scripps Ranch in late January.

The JV hoopsters ended their season 22-3 and Western League Champs. The Freshman finished with a 21-4 record.

Over on the mats, the Wrestling team ended the season third in the league. Seniors Kellen Crisman and Greg Hansen have moved on to post-season competition.

The Soccer team posted a 14-4-5 regular season record and is seeded #3 in the CIF Championship Tournament. They are led by Matt Crimi, Anthony Barrack, Nate Wojtach and Quinn Daly.

The JV soccer team finished the year at 11-4-3, and the Frosh squad was 12-2-2.

Rob Tweed, Joe DiTomaso '54, Jesse Robles, John Peters and Frank Barrack

Fred Weber, John Peters and Tony Cervantes

The Class of 1971 held their 35 year reunion in conjunction with Homecoming weekend. Prior to the varsity football game versus Mira Mesa at Mesa College, they met for drinks at the Pennant Bar in South Mission Beach, which is owned by Dick Kovalcheck '65.

Renee and Kevin McIver, Dave Hemus, Steve Arsulich and Monica and Jesse Robles

Bob Reck, who co-chaired the organizing committee with Rob Tweed, was the designated driver of a 15 passenger van that ferried the revelers to and from the game.

On Saturday, they met for Mass in the school chapel in memory of departed classmates, which was celebrated by Fr. Anthony Wasko, OSA, a teacher at Saints during their high school years. After Mass, they enjoyed drinks and hors d'oeuvres in the Vasey Patio.

CLASS OF 1981

Class of 81 held their reunion the long weekend of the Saints vs. Cathedral football game, November 9th-12th.

The reunion was challenged by the fact that the game was played on Thursday night to accomodate Cable Channel 4, which televised the game. It is one that draws one of the largest audiences for a high school football game during the season, if not the largest.

The class met for Mass on Thursday morning. After Mass and following a campus tour of the new building construction, they enjoyed lunch in Vasey Patio. That evening they attended the game which took place at Southwestern College in Chula Vista.

On Friday, the guys met for drinks at Old Town Mexican Cafe. On Saturday, along with their wives, they enjoyed dinner at the Samba Grill in Horton Plaza.

On Sunday, they met to watch the Chargers game versus the Bengals at Seau's in Mission Valley.

Regretfully, as we go to press for this issue, photos of the reunion were not available.

**You Are Invited to

CLASS OF 1976

John Shanley, Richard Prantil, Mike Guzik and Kevin Walsh

Deborah and Allen White, Alice and Milton Wiggins and Ricky Roussin

The Class of 1976 held their 30th reunion on the weekend before Halloween. On Friday, night they met at the Imperial House Restaurant in Park West for cocktails and grazing on substantial appetizers.

Danny Pulido, Patrick Concepcion, Manny Sanchez and his nephew, Agustín

The Imperial House is owned by classmate Brian Kelly and his brothers. They arranged to be picked up by the team bus and transported to Balboa Stadium to watch the much publicized football game between Saints and Scripps Ranch which featured the quarterback shootout between Saintsman Chris Forcier '06 and his younger brother, Tate. After the Saints victory, the bus returned them to the Imperial House for post-game celebration.

The next night, they met for Mass in the Saints chapel celebrated by Fr. Anthony Wasko, OSA, who was in his first year as Saints principal in the 1975-76 school year. After Mass they enjoyed cocktails supplied by the Alumni Association and a dinner buffet also catered by the Imperial House. Several classmates expressed appreciation to John Cota for spearheading the organization of the reunion.

13th Annual Larry Lehrke '66 Memorial Alumni Bocce Tournament

The 13th Annual Larry Lehrke '66 Memorial Alumni Bocce Tournament was held January 27th at Sunset Point Park on Mission Bay.

As usual, it was an enjoyable day for all who attended. It's a great time to mingle with fellow alumni and other friends of the Saints community.

Marcie Lehrke Holst, the sister of Larry Lehrke '66, shows good form while playing in the bocce tournament. Her nephew, also named Larry Lehrke, and Jerry Navarra '66 look on, as does Saints Development Director Craig Choy.

President Ed Hearn and well as former president Fr. John Keller, OSA '55 spent a significant part of the day there, as did varsity football coach Jerry Ralph.

This year, besides the traditional blind-draw mixed doubles tournament, an alumni doubles tournament was concurrently held. The alumni doubles was won by Mickey Ereneta '70 and Roland Rubacava. The mixed doubles was won by Chis Matthew and Bob McLoughlin, the father of a current Saintsman.

The Lehrke family always attends to support the event. There were three generations of them this year including Larry's mother, Carol; his brother, Marty, Marty's sons Larry, Tyler and Harley, and Larry '66's sister, Marcie Holst with daughter, Tessa. - 3 -

Parochial School Football Championships

The 2006 Alumni Association sponsored Parochial School Football Championship Tournament took place on the Saints field on December 9th and 10th.

Of the 36 teams that participate at the varsity level throughout the county, the top 8 teams were invited to compete in the tournament.

Those Elite 8 teams were St. John (Encinitas), St. John of the Cross (Lemon Grove), St. Jude Academy (Southcrest), St. Kiernan (El Cajon), Our Lady of Mt. Carmel (San Ysidro), Our Lady of Sacred Heart (City Heights), School of the Madeline (Bay Park) and St. Patrick (North Park).

In the championship game on Sunday, the School of the Madeline defeated St. Jude Academy 38-12. The spirit award was given to St. Patrick for their strong fan support. The Joe DiTomaso '54 Coaches Award was given to Jack McCarthy and his staff from St. Jude Academy.

The event co-chairmen were Gil Pimentel '77 and Eddie Mendoza '77. Ed Blick '82 supervised the officiating crew, who were all CIF high school refs. Alumni who volunteered to help organize the event included Dave Camarata '77, Dave DeCelles '70, Brian Drummy '72, Dan Medrano '83, Joe Rosales '98 and Eric Querin '77. They were assisted by 25 members of the Saints freshman class who ran the chain gang and sold programs, tee shirts and concessions.
