HOW DO I QUALIFY FOR FINANCIAL AID?

Saints offers financial aid for tuition in a variety of forms: need-based awards, work-study grants and merit-based awards.

Both the need-based awards and work-study grants are allocated based on a family's financial need. Merit-based awards are awarded to those with outstanding scholastic or musical achievement.

The Financial Aid committee determines need-based awards based solely on financial need and gives no consideration to ethnic background or religious affiliation.

The Principal's Scholarship is awarded every year to students that earn one of the top 10 scores on the High School Placement Test (HSPT). This \$40,000 award is allocated annually as a \$10,000 reduction in tuition. Principal Scholars may also apply for need-based aid. The HSPT is offered to eighth grade students applying as first time ninth graders and the exam is scheduled every January. All applicants are automatically registered for the HSPT upon completion of the admissions application.

WHAT IS THE DEADLINE TO APPLY FOR FINANCIAL AID?

New and returning families with an incoming freshman must complete the admissions application process and complete their financial aid application. The financial aid application opens November 1, 2022. Applicants must submit either their 2021 or 2022 tax returns and complete the financial aid application by January 23rd, 2023.

DO I HAVE TO APPLY FOR AN AWARD EVERY YEAR?

Families must apply each year to be considered for an award since awards are based on criteria that could change annually, such as family income. That said, families should know that Saints is committed to their son and his Saints Experience. As such, Saints commits to families that if their financial situation remains relatively unchanged, they can expect similar aid in each of a student's four years of study.
