Admission Requirements for all transfer students

Transfer applicants must:

- Create a myschoolapp account and complete a transfer application to our school. Please note: the High School Placement Test (HSPT) is NOT required for transfer students.
- Send unofficial report cards or transcripts from all of your high school coursework. These items may be uploaded to your myschoolapp account or emailed as an attachment to the Director of Admissions, Paul Sipper psipper@sahs.org
- Complete the required steps assigned to your myschoolapp account transfer checklist which include the following:
 - Schedule your one on one interview
 - Request official transcripts (you will need your school registrar's email address)
 - Students may be asked to sit for a math assessment to aid in proper course placement.
 - Attendance and Discipline Review recommendation form. This form is to be completed once the Director of Admissions instructs you to complete the step. It

is to be completed by a counselor or administrator from the school you are seeking to transfer from (currently attending).

- Have a zero tuition balance if your son attended a tuition based school
- Successfully complete all currently enrolled course work at your current school
- If you are interested in Financial Aid, your application must be completed as soon as possible for consideration. Financial aid is not guaranteed and may not be awarded if we have completed our aid decisions.

TRANSFER TIMELINE AND INFORMATION

- Possible transfer mid-year in January. Transfer acceptance notifications are made between December and January for arrival in either intersession or semester 2, depending on the completion of your prior school's first semester.
- Possible transfer for the following academic year. Transfer acceptance notifications are made from May until the start of the school year- August. When a space opens up, we will contact you.
- Please be aware that St. Augustine High School is a small school and is therefore limited to a set enrollment. Historically we do accept transfers, but there are very few seats open each year. The admissions department and the registrar at Saint Augustine High School are in constant contact to deliver transfer information as quickly as possible. The process does take time and we ask for patience and appreciate your patience in advance.
- Students seeking transfer for their senior year should be aware that senior transfers are complicated and therefore extremely rare and are limited to special circumstances.
